Hainan Golf Resort, Sanya, Hainan, PR China

Hainan, in the South China Sea, is the largest island in the People's Republic of China, and it is increasingly popular with Chinese and international tourists who are looking for a tropical climate and white sand beaches. The Hainan Golf Resort is located on the south coast of the island near Sanya, Hainan's second-largest city. Embedded in a tropical forest, the resort offers an 18-hole golf course combined with exclusive 5+-star comfort. Rainwater storage, wastewater treatment and graywater use, along with an innovative ventilation and air conditioning concept, make the resort a pioneer in the Chinese premium market.
